Dear Sir/Madam

We work in partnership with your GP practice to provide community nursing and other healthcare support to you and your family.

To ensure that you are able to contact us when you need to get in touch with your community nurse or therapist, or confirm or change an appointment, we provide you with a telephone number to make these arrangements. This service has to date been known as Single Point of Access.

From 1st April 2016, we are making some changes to both the name of the service and also to the telephone number.

*From 1st April 2016, the service will be called PatientCall and the number to call is:*

**01623 781891**

We have produced this card so that you can remove it from the letter and keep in a safe place.

Yours faithfully

**Mid Nottinghamshire Adult  
Community Services Team**
