Forest Medical is one of the largest GP Practices in Mansfield serving around 13800 patients over two sites and we are always happy to register newcomers. We offer many services over and above the Primary Care Contractual requirements and pride ourselves in our innovative approach to meeting the needs of our practice population.

MINOR INJURIES

Your first port of call for the treatment of lacerations, burns, scolds, foreign bodies, bumps and bruises no longer needs to be the Accident and Emergency Department.

Any accident such as this can be seen at our Rosemary Street Health Centre site between the hours of 08:00 and 19:00 Monday to Friday

You do not need to be registered with us to receive our Minor Injury Care and your waiting time is guaranteed to be much less than what it would be in A&E!
