Network Event

Tuesday 11 December 2018

6pm to 8pm (registration from 5.45pm)

Birch House

Ransom Wood Business Park

Mansfield, NG21 0HJ

Do you ever find yourself thinking about what other patient groups are doing & what successes, issues & resolutions they have as they work with their surgery?

This event is an opportunity to meet with others from PPGs across Mansfield, Ashfield, Newark and Sherwood to share good practice, network, ask questions and take away ideas to support your group in the future.

This event is supported and presented in partnership with the
Patient and Public Engagement Committee (PPEC)

Who should attend? Members of Patient Participation Groups & potential new members

On the programme: There will be 4 short presentations from different PPGs from across the area with the opportunity to ask questions.

There will be a market place with information from groups & organisations, time to network, share & discuss ideas with others, food and drink will be available along with a free raffle.

This event is a way of saying thank you to PPG Members for their continued help and support to the PPEC and the CCGs and to celebrate the festive season.

To book a place contact Julie Andrews 01623 673329 or email: julie.andrews12@nhs.net or Katie Swinburn on 01623 673051 or email: Katie.swinburn@nhs.net. Please provide any access or dietary requirements for the event.
